Ideally, you'll notice your channel is starting to earn some revenue after every 1000 views on your videos. But, this is only after your channel gets accepted to the YouTube Partner Program. To make good earnings out of YouTube, you'll want to start crossing 100,000 views per video.

The niche you choose

In 2023, YouTube pays more for views that come from countries like the United States, the United Kingdom, Canada, and Australia.

For countries from other regions of Europe, the Middle East, and Africa generate

lesser revenue than the ones we mentioned above. And lastly, Asia and Pacific countries generate the least revenue on YouTube. You can get a better idea by using

Google's official AdSense calculator.
